4. Miscellaneous

LH 17.7.2017
GND

Following decisions were taken:

Agenda point 1. To introduce some courses (Simulation of industrial systems, research methodology etc.) in the core subjects

Decision: In the light of comments made by previous NBA experts and subsequent meetings of department advisory board and faculty members, it is decided to introduce following subjects in the core group of M.Tech (Industrial Engg)

1. Simulation of Industrial Systems in place of Production and inventory control
2. Quality Assurance in place of industrial psychology

Agenda point 2. To define the lab work being offered in PG programs

Decision:

1. The proposed contents have been approved with minor modifications (Annexure-A). This shall be applicable to admission batch 2017.

Agenda point 3. To make minor modifications in the PEOs/POs

The revised list of PEOs and POs of M.Tech (Industrial) is approved (Annexure-A)
